The Chain People

KÖBO (UK) Ltd. Ketten House, Leestone Road, Sharston Industrial Area, Manchester, M22 4RB
Tel: 0161 491 9840 Fax: 0161 428 1999 E-mail: info@kobo.co.uk Web Site: www.kobo.co.uk

Leaf Chain Introduction

KÖBO Leaf chain provides practical cost effective solutions, with a commitment of value through quality. This is achieved by continuous investment in people, process technology and manufacturing.

KÖBO Leaf chain can be supplied on reels or as cut lengths all with certification, cotter pins and or connecting links. With our on site engineering workshop and team of fully trained engineers we can provide custom solutions to any material handling problem. Anchor bolts and rollers are available on request and can be made to sample.

Treated chains are also available, ideal for outside applications in more extreme environments such as de-mountable trucks on the back of vehicles and dockland based trucks etc.

Consistent Reliability

KÖBO has over 110 years of experience in the design and manufacture of power transmission and lifting products, manufactured to the highest specifications, with proven performance in industries worldwide, this underwrites the guaranteed quality and the assurance of reliability.

Service and Technical Care

KÖBO can offer excellent service and technical expertise, with agencies throughout Europe, KÖBO's Staff are available for visits to your customer or plant to help you secure solutions to problems.

Special Solutions and Innovations

KÖBO is recognised throughout industry for its capability to create specific solutions to customer's unique requirements. International companies and industries from steel to food processing to escalators to textile machinery have chosen KÖBO to solve their problems.
